

Dulux[®]

Worth doing, worth Dulux.

PAINT TAKE-BACK SERVICE

sustainable
BUSINESS NETWORK
MEMBER

ISO 9001
ISO 14001

Sustainable practices are at the heart of our business so Dulux are proud to offer a Paint Take-Back Service as part of our commitment to the environment.

Simply bring in your left over paint and paint packaging to any one of the 17 Dulux Trade Centres and we will recycle, reuse or dispose of it in an environmentally friendly manner.

Water based paints may be donated to community groups for graffiti abatement or used in other end use applications. Accepted solvent based paints are sent for solvent recovery and/or responsible disposal and packaging is recycled.

Brand	Quantity	Price
Dulux	Up to 20 units	FREE
Non-Dulux	Up to 20 units	\$0.25 per packaging litre
Dulux and Non-Dulux	More than 20 units	Convenient pick up service \$100 + \$0.25 per packaging litre

ACCEPTANCE CRITERIA

We DO accept:

- ✓ Architectural/decorative paint coatings, in plastic or metal packaging, being:
 - ✓ Water based paints, all brands, must be in original labeled/printed packaging
 - ✓ Solvent based paints, all brands, must be in original labeled/printed packaging
 - ✓ All empty Dulux tinter cans
 - ✓ Rusty metal containers containing paint are acceptable, provided that it is in original packaging and label/printing is legible and they are not leaking.
-

We DO NOT accept:
